

RGS Energy Prices \$11.5 Million Public Offering of Common Stock and Warrants

DENVER, CO, February 1, 2017 – RGS Energy (NASDAQ: RGSE) today announced that it priced its public offering of (A) units, “Primary Units,” each consisting of one share of Class A common stock, par value \$0.0001, or “Common Stock,” and a Series K Warrant to purchase Common Stock, and (B) units, “Alternative Units,” each consisting of one prepaid Series L Warrant to purchase one share of Common Stock and a Series K Warrant to purchase Common Stock. The purchase price for a Primary Unit is \$3.10 per unit and the purchase price for an Alternative Unit is \$3.09 per unit, for expected aggregate gross proceeds of approximately \$11.5 million.

Each Primary Unit consists of one share of Common Stock and a Series K Warrant to purchase one share of Common Stock at an exercise price of \$3.10 per share. The Series K Warrants will be exercisable immediately after issuance and for a period of five years thereafter. Each Alternative Unit consists of a prepaid Series L Warrant to purchase one share of Common Stock and a Series K Warrant to purchase one share of Common Stock at an exercise price of \$3.10 per share. The Series L Warrants will be exercisable immediately after issuance and for a period of five years thereafter at an exercise price of \$3.10 per share, of which \$3.09 per share will be paid at the closing with \$0.01 per share payable upon exercise of the Series L Warrant.

Roth Capital Partners is serving as exclusive placement agent in the offering on a “best efforts” basis.

After RGS Energy pays the placement agent fees and estimated offering expenses, RGS Energy expects to receive net proceeds of approximately \$10.6 million.

The offering is expected to close on or about February 6, 2017, subject to customary closing conditions. The warrants will not be separately listed for trading.

The offering is being conducted pursuant to a prospectus supplement and an accompanying prospectus filed as part of an effective shelf registration statement filed with the U.S. Securities and Exchange Commission (“SEC”). Prospective investors should read the prospectus supplement and the accompanying prospectus and the other documents that RGS Energy has filed with the SEC for more complete information about RGS Energy and the offering.
